Volume 1, Issue 21

March 4, 2015

Reading ...

The goal for reading this quarter is a level 3/C. Students should be tracing words with their finger, looking at pictures for clues and sounding out unknown words. Have your child retell what has happened in the story.

Writing...

I am changing our books into real paperback books--this takes some time, but usually once I get the first couple completed it goes by a lot quicker. Students are writing informational books. They are rereading what they write, beginning with a capital, ending with punctuation, and leaving spaces between words.

Math...

The goal for counting this quarter is to 75. We are working on adding and subtracting. Continue to look for the 3-D shapes in your home, cone, cube, sphere, and cylinder.

Family project is due this week

IMPORTANT DATES AND SPECIALS

Monday (3-2)—Snow day

Tuesday (3-3)— Music

Wednesday (3-4)— Library

Thursday (3-5)— Explorations

Friday (3-6)—No school

Specials time has changed..... 9:40-10:30 am

3-4 Kindergarten screening (call to make an appt)

3-6 PBS Party

3-7 to 3-9 No school

3-10 OES Kids Meeting At 5:30

3-23 School Pictures

3-27 Spaghetti supper/Pie Auction

Letters/Sounds of the week---ch, long /i/
Words of the week---have, said

Practice pays off! Every time your child earns five stickers on a word card, they can pick something from the treasure box. The word lists may look a little different when they come home next time, I am using different word lists that align with new goals. Same words, just placed differently.

Making Rainbows

March Family Homework Project

Due: Friday, March 6

For March's project, I would like for your child and your family to create a rainbow. You may use the attached rainbow and be as creative or imaginative for each arc of color as you'd like. You can use many different items for the arc colors such as yarn, cloth, magazine pictures, beads, markers, etc. Encourage your child to offer their ideas, cut, color, and glue so they will be involved in the process.

Please shake or move around your finished project to make sure nothing falls off because we will be displaying these in the hallway.

Your child's name must be on the front or the back of the rainbow.

Reminder: the colors of the rainbow are red, orange, yellow, green, blue, and purple.

Reading Log (week of 3-2 to 3-7)		Please return to school Tuesday 3-10
